Please Note: -

- 1) 1ST, 2ND, 3RD & Consolation prizes will be given in all the categories and in case of elite awards 1ST and 2ND prize would only be given.
- 2) Any new category can also formed as per the demand of the public if there are 8 or more no animals for that category
- 3) If any animal in the livestock show wins more than one prize or cash award then he will be entitled to get only one cash prize having higher monetary value however, the certificate and the mementoes for all the prizes won will be given e.g. the elite animal winning Breed Champion will be given only the cash prize for the Breed Champion category only and not for all the other prizes won in other categories required to reach the breed champion stage.
- 4) Minimum participation in every category of animals should be atleast 8 animals.
- 5) In case if there are 3 to 7 animals in any category then the judging competition will be held among those animals and two winners 1st & 2nd would be given 2nd and 3rd prize amount of that category. Further maximum of two consolation prizes can be given.
- 6) As per State Bovine Breeding Policy, the minimum dams lactation yield (Kg./305 days) of different breeds of cattle/buffalo required to participate in different categories of State livestock Show would be as under:-

| Breed | Dam's best lactation Yield (Kg./305 days) |
|------------|---|
| Murrah | 3200 |
